Good day,

A few months ago, I have sent a query on the cost of a full Occupational Health & Safety Act in book format (hard copy) including the cost to keep it updated whenever there are new updates available, I have not received any feedback regarding this, nor can I find a copy of my previous email.

We are an Electrical and Pump & Tank Company that employs about 46 employees, we merely perform work on Sasol and Engen Sites.

Hope to hear from you soon.

Thanks and regards
